Build Relationships Share Jesus

August at Bellevue
This month we will place a special emphasis on Building Relationships and Sharing Jesus with our neighbors.

"For the majority of my life I was scared to share the gospel. I really didn't know what it meant and was terrified that someone would be offended or ask me a question that I couldn't answer. It was a hard realization that I had never shared the gospel due to my own personal shame and embarrassment over it. I knew I had to start sharing the gospel boldly. It was scary at first but the feeling after I did it was incredible. I began sharing the gospel on my college campus and door to door almost every day. It has radically changed my entire life." - Daniel Harris
